### Guidelines for Placement in Honors/AICE/AP Classes

Honors/AICE/AP classes require a commitment from the student **above and beyond** the work required for regular classes. This may include work to be completed during the summer vacation. It is important that you are aware of the expectations and requirements of the upper level courses before signing this request. **REQUIRED GUIDELINES:** Current **teacher recommendation** (in the same subject area). Minimum of **"B"** average earned in the current year's subject area. Fewer than **5 unexcused absences** in the current year. Student **MUST** remain in the requested class for the entire school year.

### Foreign Language

All students are encouraged to complete two years of the same foreign/world language before graduating high school. These courses are not required for graduation, but they are required for admission into a four-year university, Florida Bright Futures, other scholarships, and certain diploma designations.

**It is important that you choose your classes wisely and complete this form carefully. Students will remain in the courses they have chosen for the entire school year. SCHEDULE CHANGES DUE TO A CHANGE OF MIND WILL NOT BE MADE AFTER MAY 26, 2018. Parent conference is required for all schedule changes.**

I HAVE REVIEWED AND AM IN AGREEMENT WITH MY CHILD'S SELECTIONS.
